**Message to Stakeholders**

My sincere regards to all,

Esteemed Shareholders, Members of the Board, Executive Leadership, and Strategic Partners,

It is with great pride and gratitude that we present to you the Annual Report for RBM Infracon Limited for the financial year 2024–25. This year has been one of strategic growth, operational resilience, and an unwavering commitment to excellence in the face of an evolving global landscape.

At RBM Infracon, our dual focus on the construction and oil & gas sectors has enabled us to navigate complex challenges while delivering consistent value. From infrastructure development and EPC projects to upstream and downstream oil and gas operations, we have continued to drive forward with integrity, innovation, and impact.

In the past year, we successfully completed several landmark infrastructure projects, expanded our presence in key energy markets, and strengthened our project pipeline. Our performance has been underpinned by disciplined project execution, prudent financial management, and a deep understanding of our clients' needs.

Despite market volatility, particularly in the energy sector, our strategic diversification and operational agility allowed us to achieve sustained revenue growth and enhance shareholder value.

RBM Infracon remains deeply committed to building responsibly. Environmental sustainability, worker safety, and community engagement are integral to our operating philosophy. We have implemented advanced safety protocols and invested in sustainable technologies to reduce our environmental footprint across all projects.

As we step into the future, we remain focused on delivering robust and sustainable growth. Our strategic priorities include digital transformation, investment in new technologies, and building long-term partnerships. With a strong order book and a dedicated team, we are confident in our ability to capture emerging opportunities and continue delivering value to our stakeholders.

To turn now to the performance in FY 2024-25, your company has achieved commendable results:

- Our Total revenue for the year is Rs. 32,174.58 lakhs against the previous year's revenue of Rs. 12,998.38 lakhs.
- Our Profit before tax was Rs. 4,005.64 lakhs as compared to Rs. 1,599.22 lakhs in the previous year.
- Our Profit after tax was Rs. 2,946.94 lakhs as compared to Rs. 1,109.43 lakhs in the previous year.

We are submitting herewith brief about our company details for your information and reference and request you to register yourselves with your esteemed organization and forward existing and future enquiries.

Further I am pleased to present the 12th Annual Report of Your Company for FY 2024-25.

As we continue in our Endeavour to aspire to be a respected and responsible enterprise, we commit to being focused I, on behalf of our team, assure you of our singular commitment to the growth of the Company with ethics and integrity. I would express my gratitude to our diverse stakeholders, our customers, vendors, bankers, all the team members and the board of Directors for their continued support in the growth journey of "**RBM INFRACON LIMITED**".

I solicit your continued cooperation in materializing this vision.

Best Regards,

Jaybajrang Ramashish Mani

Chairman cum Managing Director

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. GLOBAL ECONOMY

Global economic growth remained steady in 2024 at **3.1%** and is projected to improve marginally to **3.2% in 2025**. Elevated interest rates, high government debt, and tighter fiscal conditions continue to weigh on overall activity. However, inflationary pressures have eased faster than expected due to improved supply-side conditions and continued monetary discipline.

Global headline inflation is estimated at **5.8% in 2024** and expected to fall further to **4.4% in 2025**. The resilience of employment, strong household consumption, and easing inflation supported global momentum in the latter half of 2024. Nevertheless, political uncertainties, potential softening of labor markets, and a still-high interest rate environment may dampen business and consumer confidence in the near term.

(Source: IMF – *World Economic Outlook, January 2025*; Euromonitor International – *Global Economic Outlook: Q3 2025*)

2. INDIAN ECONOMY

India once again reinforced its position as the **world's fastest growing major economy**, closing FY 2024–25 with **GDP growth of 7.1% YoY** (baseline scenario). Despite global headwinds, the economy remained resilient, driven by **domestic demand, government-led infrastructure investments, and private sector capital expenditure**.

Over the last four years, India has consistently delivered above-average growth (averaging 7.8%), supported by reforms, favorable demographics, and a strong services sector.

Looking ahead, India is projected to grow between **6.7% and 7.3% in FY 2025–26**, supported by:

- **Policy continuity** following stable governance at the Centre.
- **Improved global liquidity** as central banks ease monetary policy.
- **Rising capital flows and investments**, especially in infrastructure and manufacturing.
- **Stronger export demand**, aided by synchronous global recovery and moderating inflation.

4. OPPORTUNITIES AND THREATS

Opportunities

- **Strong Macroeconomic Backdrop** – India's robust GDP growth, policy reforms, and global investor confidence present opportunities for infrastructure development.
- **Government Policy Support** – Initiatives in infrastructure, urban development, and energy transition create a favorable business environment.
- **Infrastructure Spending** – Increased public and private sector capital expenditure will generate demand across construction and allied industries.

Threats

- **Global Slowdown** – Any downturn in global growth could reduce capital flows and impact demand.
- **Funding Challenges** – Infrastructure projects require long-term capital; credit tightening or reduced FDI inflows could delay execution.
- **Banking Constraints** – Cautious lending due to NPAs may restrict credit availability for infrastructure players.
- **Labor & Supply Shortages** – Manpower availability, procurement delays, and raw material cost volatility continue to pose challenges.

5. RISKS AND CONCERNs

- **Geopolitical Risks** – Conflicts and protectionist policies affecting supply chains and inflation.

- **Competition** – Heightened competition in government contracts due to relaxed tendering norms.
- **Sectoral Underperformance** – Power, Defence, and Shipbuilding remain underutilized, impacting order opportunities.
- **Energy Transition Risks** – Growing demand for sustainable models may require adjustments to business strategy.
- **Execution Risks** – Delays in land acquisition, work-front availability, and clearances may impact project timelines.
- **Cybersecurity Risks** – Increasing vulnerability to ransomware and phishing attacks.
- **Climate Risks** – Extreme weather conditions (heatwaves, flooding, heavy rainfall) affect worker productivity, logistics, and overall execution.

AUDIT REPORT TO THE SHARE HOLDERS
OF RBM INFRACON LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion:

We have audited the Standalone Financial Statements of RBM INFRACON LIMITED (“the Company”), which comprise the balance sheet as of 31st March 2025, and the statement of profit and loss and statement of cash flows for the year ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as on 31st March 2025, and its profit/loss and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, (the Statement of Changes in Equity) and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B.**" Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.

RBM INFRACON LIMITED

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and
 - (c) Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to the notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- v. The company has not declared or paid any dividend during the year, hence provisions of section 123 of the Companies Act, 2013 is not applicable.
- vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of the section 197 of the Act.

"Annexure B" to the Independent Auditor's Report of even date on the Standalone Financial Statements of RBM Infracon Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **RBM Infracon Limited** as of 31st March 2025 in conjunction with our audit of the standalone Financial Statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

RBM INFRACON LIMITED

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Corporate Information

RBM INFRACON LIMITED is a Limited Company, incorporated under the provisions of Companies Act, 2013 and having CIN : U24109GJ2013PLC157450. The Company preliminary engaged in the business of construction, maintenance, and turnaround services for industries like oil and gas, petrochemicals, fertilizers, and power plants. The Registered office of the company is situated at B-1120, SUN WEST BANK, ASHRAM ROAD, Ashram Road P.O, Ahmedabad City, Ahmedabad, Gujarat, India, 380009.

2 SIGNIFICANT ACCOUNTING POLICIES

a Basis of Preparation

RBM INFRACON LIMITED

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

Significant accounting judgements, accounting estimates and

b assumptions

The preparation of financial statements requires management to make certain judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities (including contingent liabilities) and the accompanying disclosures. Estimates and underlying assumptions are reviewed on an ongoing basis.

c Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, less accumulated depreciation / amortisation. Costs include all expenses incurred to bring the asset to its present location and condition.

Capital Work in Progress (CWIP)

Cost of assets not ready for intended use, as on the balance sheet date, is shown as CWIP. CWIP is stated at cost, net of accumulated impairment loss, if any.

Advances given towards acquisition of assets (including CWIP) and outstanding at each balance sheet date are disclosed appropriately.

d Intangible assets

Intangible assets are stated at cost, less accumulated amortisation. Costs include all expenses incurred to bring the asset to its present condition.

e Depreciation and Amortization

Depreciation has been provided on the Fixed Asset on the WDV method and in accordance with the useful life of the Asset as prescribed under Schedule II of the Companies Act, 2013.

f Impairment of assets

At each balance sheet date, the management reviews the carrying amounts of its assets included in each cash generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset. Reversal of impairment loss is recognised as income in the statement of profit and loss.

g Leases

Assets taken on lease by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such a lease is capitalised at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease rentals under operating leases are recognised in the statement of profit and loss on a straight-line basis.

h Inventories

RBM INFRACON LIMITED

Raw materials are carried at the lower of cost and net realisable value. Cost is determined on a weighted average basis. Purchased goods-in-transit are carried at cost. Work-in-progress is carried at the lower of cost and net realisable value. Stores and spare parts are carried at lower of cost and net realisable value. Finished goods produced or purchased by the Company are carried at lower of cost and net realisable value. Cost includes direct material and labour cost and a proportion of manufacturing overheads.

The valuation for inventories is as follows;

Classification	Valuation Policy
Finished Goods	At lower of cost or net realizable value.
Raw Material	At lower of cost or net realizable value.
WIP	At Cost
Consumables	At Cost

i Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

j Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Borrowing costs consist of interest and transaction costs that an entity incurs in connection with the borrowing of funds.

Provisions, Contingent Liabilities and Contingent

k Assets

Provisions are recognised for when the Company has at present, legal or contractual obligation as a result of past events, only if it is probable that an outflow of resources embodying economic outgo or loss will be required and if the amount involved can be measured reliably.

Contingent liabilities being a possible obligation as a result of past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more future events not wholly in control of the Company are not recognised in the accounts. The nature of such liabilities and an estimate of its financial effect are disclosed in notes to the financial statements.

Contingent assets are not recognised in the financial statements. The nature of such assets and an estimate of its financial effect are disclosed in notes to the financial statements.

l Revenue recognition

Revenue is recognised on the delivery of goods. Revenue is reported net of discount. Revenue in case of sale of services are recognised on the basis of performance of service.

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Employee Benefit

m Expense

Post-employment benefit plans

Contributions to defined contribution retirement benefit schemes are recognised as expense when employees have rendered services entitling them to such benefits.

RBM INFRACON LIMITED

For **defined benefit** schemes, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in full in the statement of profit and loss for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, or amortised on a straight-line basis over the average period until the benefits become vested.

a) Provident Fund :

Provident Fund is a defined contribution scheme as the company pays fixed contribution at pre-determined rates. The obligation of the company is limited to such fixed Contribution. The Contributions are charged to Profit and Loss Statement.

b) Gratuity :

The Management has decided to apply pay-as-you-go method of gratuity provision. So gratuity will be accounted in the Profit and Loss A/c in the financial year in which the employee retires and Provision will not be made on yearly basis and charged to the Profit and Loss statement on the basis of actual payment.

c) Leave Encashment :

The Management has decided to apply pay-as-you-go method for payment of leave encashment. So leave encashment will be accounted in the Profit and Loss A/c in the financial year in which the employee retires and Provision will not be made on yearly basis and charged to the profit and loss statement on the basis of actual payment.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

Other employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service. These benefits include compensated absences such as paid annual leave, overseas social security contributions and performance incentives.

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date.

Foreign currency

n transactions

Income and expense in foreign currencies are converted at exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities other than net investments in non-integral foreign operations are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses are recognised in the statement of profit and loss. Exchange difference arising on a monetary item that, in substance, forms part of an enterprise's net investments in a non-integral foreign operation are accumulated in a foreign currency translation reserve.

Taxatio

o n

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled.

Deferred tax expense or benefit is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

RBM INFRACON LIMITED

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction for relevant tax paying units and where the Company is able to and intends to settle the asset and liability on a net basis.

The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

Earnings Per

p Share

Basic earning per share is computed by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by taking into account the weighted average number of equity shares outstanding during the period and the weighted average number of equity shares which would be issued on conversion of all dilutive potential equity shares into equity shares.

Event After Reporting

q Date

When events occurring after the balancesheet date provide evidence of condition that existed at the end of the reporting period, the impact of such events is adjusted within the standalone financial statements. Otherwise, events after the balancesheet date of material size or nature are only disclosed.

r Investments

Long term investments are stated at cost. Provision for diminution in the value of long term investment is made only if such decline is other than temporary.

Current Investments are stated at lower of cost or market value. The determination of carrying amount of such investment is done on the basis of specific identification.
